

The January 2017 Member Spotlight on [Excelsior](#) presented by Kelly Dantine at the January Merchant Meeting of the DID sponsored by the [Lancaster City Alliance](#).

Excelsior is an eclectic event space inspired by Downtown Lancaster's vintage charm. Unlike anything you may have seen, this multifaceted property combines elegant classical architectural features blended with modern design throughout various connecting spaces. Refreshing outdoor areas and enchanting brewer's catacombs enhance the overall experience creating a one-of-a-kind venue for any event in any season.

~ Excelsior is already booked with 65 weddings for 2017!

~ Excelsior will be collaborating with Lancaster Root & Blues as a venue for this year's most exciting music festival.

~ Excelsior is proud to be partnering with Kathy Frey Terkeltaub, owner of Festoon, this year as she launches her own original clothing design line, made completely here in Lancaster!

Excelsior is located at 125 East King Street Lancaster, PA 17602
