The May 2018 Member Spotlight on [BUZZ](#) presented by owner, Michael Sirianni at the May Merchant Meeting of the DID sponsored by the [Lancaster City Alliance](#). BUZZ, formerly located at [38 W King Street](#), is on the move! With the closing of Aussie and the Fox, BUZZ is reinventing itself into a Lancaster City-based Food Truck.

Serving Breakfast 6 days a week (Monday - Saturday) at [The Fridge, 534 N Mulberry St](#), and lunch (Monday thru Friday) in various locations around the city, BUZZ will continue to serve their popular breakfast sandwiches and coffee all day, as well as an extensive lunch menu and a new late-night menu. Downtown residents and businesses will be excited to know that BUZZ will still accept online and call-ahead orders, as well as orders via the popular EAT AT BUZZ app to save them time! Locations and hours will be automated on [EATATBUZZ.COM](#) and all of BUZZ's social media accounts. Look for BUZZ at festivals like Celebrate Lancaster, at local breweries and distilleries (starting a brunch residency at [Thistle Finch](#) on June 2), and in other designated areas by the city!

Michael also proudly announced that BUZZ now is a certified BCorp and now he has created a company that truly reflects his vision and values.
