The August 2018 Member Spotlight on [Thistle Finch Distillery](#) and [Shot and Bottle](#) presented by co-owner, Andrew Martin at the August Merchant Meeting of the DID sponsored by the [Lancaster City Alliance](#).

Thistle Finch Distillery opened at the end of 2013 and is Lancaster County's first operational distillery since prohibition. Thistle Finch produces whiskey, gin and vodka and sells its products at its tasting room and production facility on West Grant Street, direct to restaurant and bars within Pennsylvania, via the state-run Wine and Spirits stores, at a satellite retail location in Pittsburgh, and at a recently added satellite location called Shot and Bottle Penn Square in Lancaster City.
