Cabalar Meat Co. is a whole animal butcher shop and restaurant, located in The Keppel Building at 325 N. Queen Street, sourcing local, grass-fed and pasture raised meats. Our scratch kitchen works directly with our butcher side in smoking our own meats, making our own sausage, and creating custom grinds so that we can offer only the highest quality ingredients in our menu items. We recently paired with [Voodoo Brewery Lancaster](#) to offer Brunch, Lunch, and Dinner Service alongside their artisan beer, cocktails, and wine. The Grand Opening of Voodoo Brewing Lancaster at Cabalar Meat Co. is Saturday, January 19.
